Employment Opportunity:

Construction Superintendent:

We are looking for deadline-driven Construction Superintendents to oversee our construction projects and to act as the link between various project parties. The Construction Superintendent will lead and manage the on-site construction team and oversee all work on site. The Construction Superintendent will be responsible for the job site and ensure compliance with safety regulations. You will ensure quality standards are met, and all equipment, tools and materials are available on site at all times. You will liaise with inspection authorities regarding approvals. To ensure success, you should complete projects on time and within budget, and never compromise on quality or safety. Top candidates will be strong leaders, pro-active and perform well under pressure.

Construction Superintendent Responsibilities:

- Lead and manage the on-site construction team.
- Coordinate and oversee all work on site.
- Attend production meetings.
- Review to ensure adherence to the project schedule and budget.
- Ensure quality standards are met.
- Place orders for materials.
- Be responsible for equipment and materials on site.
- Follow the project timeline to ensure deadlines are met.
- Monitor and ensure on-site safety compliance, cleanliness and orderliness.
- Maintain records for site personnel ie: daily field reports, field orders and RFIs.
- Liaise with inspection authorities regarding approvals.

Construction Superintendent Requirements:

- 5+ years' experience as a Construction Superintendent.
- Proficient with MS Office, Outlook, Word and Excel.
- Proficient with scheduling.
- Proficient with taking and uploading digital photographs and daily JSA's.
- Ability to lift 40 pounds and to operate heavy equipment.
- Ability to interpret and build according to drawings, specifications and other documents.
- Excellent communication and interpersonal skills.
- Outstanding organizational and leadership skills.
