Employment Opportunity:

Construction Laborer Job Description

The responsibilities for this position include operating and maintaining various machines, loading and unloading frequently heavy materials, and following directions from supervisors and other skilled tradesmen. To do well in this role you should be physically fit, reliable, and be a hard worker.

Construction Laborer Responsibilities:

- Operate and care for construction equipment and machines.
- Help equipment operator, carpenters and other skilled labor as needed.
- Prep construction sites by cleaning obstacles and hazards.
- Loading or unloading construction materials.
- Assembling and disassembling temporary structures such as scaffolding.
- Remove, fill, or compact earth.
- Follow instructions from supervisors.
- Assist craft workers.
- Ability to learn from on-the-job training when necessary.
- Perform site clean-up.

Construction Laborer Requirements:

- Must have valid driver license legal to work in the USA.
- Be at least 18 years of age.
- High school diploma or GED preferred.
- Ability to do physical labor and other strenuous physical tasks.
- Ability to work in all weather.
- Workers must be punctual and reliable.
- Experience as a laborer in the construction industry a plus.

We adhere to all applicable laws governing employment practices and do not discriminate on the basis of any unlawful criteria.
